Nancy Greene and Paterson Racing Series

The Nancy Greene Series is a team-racing event for children aged 6 to 12 years that aims to introduce children to ski racing and develop their skill in an atmosphere of friendly competition. The racers race as a team and individual times are not given out.

The Paterson Series is for children aged 12 to 16 and is designed to build on the skiers' skills in individual races.

Both race series take place at ski hills in the immediate area and may also include events at Calabogie, Pakenham and Mont St Marie.

Competitors in the Nancy Greene series **must** be registered in a program of lessons with the club. This requirement *may* be waived for competitors in the Paterson series depending on the racer's ability and ultimately at the discretion of the race coach.
